Repaired parts or replacement products will be provided by Kingston on an exchange basis, and will be either new or recertified. If Kingston is unable to repair or replace the product, it will refund or credit the lesser of either the current value of the product at the time the warranty claim is made or the purchase price. Proof of purchase must be provided which shows the original date and place of purchase, as well as the product description and price.

This limited warranty shall not apply if: (i) the product was not used in accordance with any accompanying instructions, or (ii) the product was not used for its intended function.

This limited warranty also does not apply to any product on which the original identification information has been altered, obliterated or removed, that has not been handled or packaged correctly, that has been sold as second-hand or that has been resold contrary to USA and other applicable export regulations.

This limited warranty covers only repair, replacement, refund or credit for defective Kingston products, as provided above.
