TZ-5300

imagePROGRAF TX-5310

Surpass Every Expectation with High Print Speed

Product Code:

Specification:

36" printer w/ encrypted HDD, console design

SRP **₱450,000**

A 36" printer with high-speed continuous printing and fast first print out time. Perfect for Production CAD market, the TZ-5300 delivers pin-sharp lines and text and further enhances productivity with innovative media handling capabilities, workflow solutions and all new MFP solution.

ADDITIONAL INFORMATION FOR UNIQUE TECHNOLOGIES

- For Production CAD market
- Impresive media handling system
- Robust security, extensive suite of software and solutions

- Console design with standard dual roll system
- 500 GB Encrypted hard disk drive
- Multi-function printer
