Google Meet Series One Room Kits from Lenovo

Choose from three purpose-built options, depending on your need: small, medium, or large rooms. The Google Meet Series One room kits from Lenovo are comprehensive and ready out of the box. Each kit includes a compute system with custom mounting options, plus a combination of up to six other components—which vary by room size. Components include a smart camera or smart camera XL, a remote control or touch controller, up to two mic pods, and a smart audio bar (plus an add-on audio bar in the large room kit).
