LOGITECH SCRIBE

Effortlessly share whiteboards into video classrooms with Logitech Scribe, an AI-powered whiteboard camera for Microsoft Teams®, Zoom™, and other leading video conferencing services.

₱92,690.00 (SRP)

Two (2) years warranty

Works with Any Whiteboard

Works with all whiteboard surfaces, capturing up to 6' W by 4' H, and any set of dry erase markers.

Plug and Play Ready

Scribe offers the versatility connect to any computer or laptop as a USB camera.

AI-POWERED PERFORMANCE

Plug and Play Ready

Scribe's built-in AI delivers a transparency effect, allowing students to see "through" the instructor for an unobstructed view of the whiteboard.

Content Enhancement

Scribe automatically enhances the color and contrast of dry erase markers, making text and sketches easier to read.

Sticky Note Detection

Scribe uses image segmentation to recognize and show other forms of content like sticky notes.

SWYTCH

With a single USB connection Logitech Swytch links a laptop to the room's display, camera, and audio devices. Now, people can use meeting rooms with any video conferencing software, webinar platform, or streaming service.
