WorkForce Pro WF-C5890 Color MFP

Model: WF-C5890
SKU: C11CK23502

₱23,295.00

Color MFP built for reliability and powerful productivity

Powered by revolutionary PrecisionCore Heat-Free® technology, the WorkForce® Pro WF-C5890 color MFP features the next generation of inkjet printing technology. This workhorse also includes an innovative Replaceable Ink Pack System to help minimize your interventions—you can print up to 5,000 ISO pages with replacement ink packs1, reducing ink replacement frequency. And you save on printing-up to 25 percent on replacement ink vs. color laser toner2. With the lowest power consumption in its class3, the WF-C5890 delivers powerful productivity, with a recommended monthly page volume (MPV) of 5,000 pages, print speeds of 25 ISO ppm (black/color)†, and a fast first page out with virtually no warmup time.

- Lowest power consumption in its class3
- Recommended monthly print volume of 5,000 pages
- 25 ISO ppm (black/color)†; fast first page out
- 4-in-1 with Wireless, Ethernet & PCL4/PS3: Print / Copy / Scan / Fax
- Large 1,830-sheet paper handling capacity (with three optional trays)

Epson WorkForce Pro WF-C5390 A4 Colour Single Function Printer

Model: WF-C 5390
SKU: C11CK25502

₱16,195.00

Where reliability meets performance.

Engineered with eco-friendliness and efficiency in mind, the Epson WorkForce Pro WF-C5390 business inkjet printers deliver consistent and reliable printing at 25ipm in a space-saving body with a myriad of user-friendly functions. Built with Heat-Free Technology, these printers are energy and resource saving as they use lesser power, consumables, and replacement parts as compared to a laser printer*. The highly durable and efficient business inkjet printers are equipped with high-yield ink packs, reducing maintenance downtime. Providing a wide range of software solution with versatile connectivity, Epson's WorkForce Pro business inkjet printers are perfect for the quintessential office.

- Lowest power consumption in its class3
- Recommended monthly print volume of 5,000 pages
- 25 ISO ppm (black/color)†; fast first page out
- 4-in-1 with Wireless, Ethernet & PCL4/PS3: Print / Copy / Scan / Fax
- Large 1,830-sheet paper handling capacity (with three optional trays)
